tary to the Board of Selectmen, recommended that the Board adopt for the town a standardized digital identification system for all town departments to identify line items in a manner that would allow a specific pattern of expenditures to be studied or allow a total picture of such expenditures to be obtained at any time. He suggested that the same numbers now used by the State auditors be employed so that the auditing process would also be simplified. This method would allow the computer operator to recall the data needed with the same command number for identical line items in the budget of each department.

Looking ahead to the next fiscal year this would help identify places where Proposition 2 1/2 forced economy could be accomplished.

In the same economy effort forced by Proposition 2 1/2, Selectman James Huntoon suggested to the Finance Committee members that a list of essential vs non-essential items in the budgets be prepared so that the town could make cuts in areas

EXECUTIVE SECRETARY

Monday, September 28, was set as a date for review of the approximately 100 applications for the post of executive secretary vacated by Stephen J. Lombard who is now employed by the Town of Wareham. The Selectmen will release the names of the applicants following their review. Town Counsel Donald Fleming furnished the Selectmen with a detailed opinion of their responsibility regarding disclosure of such application information. In brief, the opinion was that applications are personnel files and need not be revealed. The names of the applicants, according to the opinion, are subject to release after they have been reviewed in open meeting. The Board, he stated, has the authority to withhold the name of any applicant who requests this if it is found by the Selectmen that such disclosure would be an invasion of the applicant's personal privacy. This decision should be made in executive session.

No Place for a Gun

Editorial, D.C.J.

The shock of the shooting of a golfer on the green of Reservation Golf Course is still very fresh in the minds of all residents. Anyone, with any military training, is aware that a 22 rifle is not a toy. It has a potential lethal range of one mile. A one mile radius drawn with the center of Good-speed Island shows the danger of a shot originating there and faced in any direction. There is simply no excuse for any such hazard to the public, on Long Wharf, the harbor, the Neck, the Golf Course, Main Street or the beach. No responsible sportsman would think of hunting in such close proximity to people. The access to Good-speed Island is controlled by the town in both directions. While this accident is still fresh, it would be very wise to post that access to ban hunting. This would make anyone seen with a gun there a subject to be taken into custody to prevent a tragedy, perhaps far worse than that which has already happened.

There are gun clubs and there are sportsmen who enjoy guns. None are helped by incidents of this kind and all would be first to take proper precautions to protect the public.

It would be a shame if people were ever intimidated from walking along the shore for fear of their safety. Certainly no pedestrian on Main Street, no one enjoying the wharf, no golfer relaxing in the open fairway, no sailor on the harbor should ever be in mortal danger.

Bandstand Committee

A recent Mattapoisett Bandstand Committee meeting was held at the Town Hall. Under discussion was the matter of additional installations for better illumination directing upon the music stands. The committee feels they have worked out a solution, which will be initiated by the 1982 Concert Season, to the satisfaction of all Band members.

Other matters discussed were the replacement of missing shingles from the Bandstand roof and the preparation of the 1982 Budget. Paul Alves chaired the meeting. Others present were Bruce Rocha, Theresa Corey and Doris Kinney.

TWO OILS THAT SAVE YOU GAS

Today's rising gasoline and automobile operating costs have created a demand for motor oils that save gas, improve performance, and help engines last longer. Mobil has developed two motor oils that meet these criteria. Mobil 1 and Mobil Super.

Start saving today!

Mobil 1:
Unparalleled
Excellence

Mobil 1 5W-30 outperforms every conventional premium motor oil on the market. This unique 100% synthetic oil not only saves gas but goes up to 25,000 miles or one year between changes. Mobil 1 also helps start engines at -35°F and provides superior hot weather performance. With Mobil 1, engines run cleaner and engine wear is reduced. Unquestionably, Mobil 1 remains the finest motor oil money can buy. It's the oil for you if you want the very best.

Mobil Super
The Gas-Saver

Today's motorists want an all-season conventional motor oil that will stretch their gas dollars, and new Mobil Super 10W-40 does just that. New Mobil Super's most important feature is fuel efficiency. With Mobil Super you have easier starting and improved engine wear. Mobil Super really gives you more for your money!

In last week's Presto Press (September 23) there was an article about a fall foliage train trip under the caption of the Thornton W. Burgess Society. It has been suggested that this train trip, coming at this time of the year, might interest our Seniors. If, after reading the article, you are interested

in going on this trip, please call our Council on Aging office (telephone 758-3758) as soon as possible for any further details, such as cost, as the trip is scheduled for next Sunday, and there is not much time left in which to make reservations. If enough wish to go, we will arrange for our Minibus to take you to Sandwich. Remember, our office hours are 9:00 a.m. to 12:00 noon Monday through Friday.

Curriculum Day

Notice to parents of children in grades K-12 in the public schools of Marion, Mattapoissett, and Rochester, on Wednesday, October 7, there will be an early release day for teacher engaged in curriculum work. On that day, students will be picked up for school at the regular time but will be dismissed early according to the following schedule:

Marion - Grades K-6 12:30 p.m.
Mattapoissett - Kindergarten 10:45 a.m.
Mattapoissett - Grades 1-6 12:20 p.m.
Rochester - Kindergarten 10:45 a.m.
Rochester - Grades 1-6 12:30 p.m.
District - Grades 7-12 11:30 a.m.

Lunches will be served to students in grades 1-12 as usual.

Taber Library Film Series

Film series at the Elizabeth Taber Library, Marion, will open this Sunday, October 4th, with "Heidi" the film to be shown at 1 p.m.

This most popular version of Johanna Spyri's children's classic stars Shirley Temple. Sent to live with her grandfather in the Swiss Alps, she turns the sour old man into a loving human being and helps a crippled girl to walk again. The film features Jean Hersholt in the role of the grandfather.

COMMUNITY RESOURCES AT ORRJHS

For years it has been considered educationally prudent to get the schools out into the community as much as possible. Now, though, in consideration of the impact of Proposition 2 1/2, this practice may be subject to some rethinking - or reshaping.

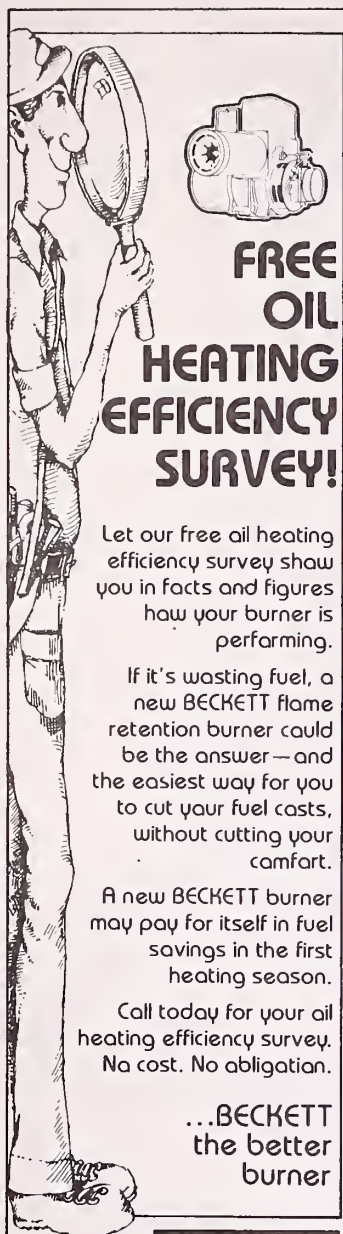

Let's bring as many community resources into the school.

That's the new approach being adopted at Old Rochester Regional Junior High School this year. Initially, it's generating a lot of positive reaction and involvement.

Even though the school year has just be-

gun, Team Seven East, for example, has planned over twenty "enrichment activities" - opportunities for their students to gain exposure to subjects not necessarily covered in the regular curriculum. For example, Dr. Michelle Merolla was recently at the school to talk to the Team about chiropractic medicine and Dr. Ellen Howard has already been scheduled to demonstrate acupuncture and acupressure. According to Robert Johnson, English instructor on Team Seven East, "The communities are tremendously rich with exciting, talented and interesting individuals, and many of them seem eager to share their knowledge and experiences with the students. For their sharing, we are grateful. It spells Q-U-A-L-I-T-Y in education."

If there are other individuals in the community who feel that they, too, have something to share with the young people (hobby, experiences, talents, specialized knowledge) please get in touch with the Junior High School (Mrs. Gail Evangelho), or by phoning 758-4927. Thank You

I wish to thank the Mattapoisett nurses, the police and the ambulance drivers for their help in caring for and transporting my husband, Henry, to the hospital. Everyone was most kind and helpful. Once again, thank you all for everything. I did and do appreciate it.

N.B. Whaling Museum

The New Bedford Whaling Museum (Old Dartmouth Historical Society), 18 Johnny Cake Hill, New Bedford, is now open from 9:00 a.m. to 5:00 p.m. Monday through Saturday and from 1:00 to 5:00 p.m. on Sunday (closed Thanksgiving, Christmas and New Year's Day).

The fully-rigged, half-scale whaleship Lagoda, the largest ship model in the world, continues to be a favorite with families who climb aboard.

Rare prints and paintings, logbooks and scrimshaw, a doll room, Colonial kitchen and Victorian parlor, as well as displays of glass, pewter and lighting devices are some of the many exhibits on permanent display.

Prepared Childbirth

Childbirth is an important life event to be
eagerly anticipated, to be embarked upon
with full awareness of the birth process, to
be experienced with confidence and active
participation, and to be recalled with joy.

It is the intent of B.A.C.E. Prepared Child-
birth Classes to assist you in the realiza-
tion of childbirth as an emotionally and physi-
cally satisfying experience.

Small, informal classes are taught in
several locations on weekday and Sunday
evenings by certified prepared childbirth
instructors. Intensive preparation is couple
oriented with specific training for the father,
or a partner, as labor and delivery coach,
so he/she may attend the birth of the baby.

The eight session series includes:

Short lectures, discussions and films on:
anatomy, physiology and nutrition, stages
of labor and delivery, emotional aspects of
pregnancy and childbirth, understanding and
reducing pain, patient's rights and responsi-
bilities, medication and anesthesia, hos-
pital procedures, parent-infant bonding,
breastfeeding and principles of newborn
care, adapting to motherhood and father-
hood; exercise periods on: limbering,
stretching and strengthening, relaxation
and breathing techniques, pushing and birth-
ing techniques, comfort measures and sup-

and 12. The men and women who portray actual residents of the early Pilgrim community will welcome visitors to a Puritan English harvest festival similar to the event described by Edward Winslow in 1621. Winslow wrote:

"Our harvest being gotten in, our governor sent four men on fowling, that so we might after a special manner rejoice together after we had gathered the fruit of our labors. They four in one day killed as much fowl as, with a little help beside, served the company almost a week. At which time, amongst other recreations, we exercised our arms, many of the Indians coming amongst us..."

During the three-day festival, the costumed villagers renew 17th century English harvest customs with cooking and feasting, song, games and a general show of rejoicing. Wampanoag Indians from the nearby Summer Campsite will join the villagers in feasting and friendly pastimes.

Crops grown during the summer and eggs and milk produced by Plantation livestock will be used to prepare sumptuous feasts, supplemented by the same varieties of sea-

food taken from local waters in the 1620's; cod, bass, bluefish and clams.

Visitors are invited to attend the Harvest Home celebration October 10-12 (Columbus Day weekend). Plimoth Plantation, located just off Route 3 in Plymouth, is open daily through November. For details call 746-1622.

Acushnet Police Ball

On Saturday evening, October 17th, the 43rd Annual Acushnet Police Men's Ball will be held at the Lincoln Park Ballroom, North Dartmouth. There will be a show and dance from 9:00 p.m. to 1:00 a.m. featuring the "Jack d'Johns". President and chairman for the event is George Souza of 33 Darling Street, Acushnet, assisted by Vice President Kenny Souza, Secretary David Rawcliffe, Treasurer Mary Ann Antoniette and the Board of Directors.

This will be the third time the ball will not be held in Acushnet. Due to the large number who have attended in the past, it was deemed more suitable to hold the annual gala at Lincoln Park Ballroom. The ball is sponsored by the Acushnet Police Association which is a non-profit organization. The united efforts of its members to do good works are many. Every year at Thanksgiving and Christmas, baskets of groceries are presented to needy families in Acushnet in order that they may have more joyful holiday seasons. Victims of fires who have suffered burns or lost all their worldly belongings have been aided by this generous group. A Little League baseball team is sponsored each year,

thereby aiding the youth of Acushnet.

Tickets for this event are now on sale and may be obtained from any officer of the Acushnet Police Department, the Lincoln Park bowling lanes, 999-6984; SMU Police, 999-8109.

St. Joseph School

STUDENTS RELEASE BALLOONS

Friday, September 18, was an exciting day for the students of St. Joseph School, Fairhaven. To mark the opening of a new school year, a mass was celebrated in the gym. The theme of the mass dealt with how to love, share and be kind.

Following the mass, the students gathered outside and released hundreds of multi-colored balloons, which soared high into the sky, their destination unknown. The feeling this created is best described by this letter submitted to the principal: "Dear Miss McLellan, It was a beautiful rainbow

of colored balloons floating westward this morning and the old adage 'Westward Ho!' and 'Go West, Young Man!' came to mind, but what caused them to go west was an east wind like the Star of the East guiding them. Probably the fact we had the mass, there was a spiritual high. At least I felt it when Father closed the mass with 'now follow in His footsteps'. Those balloons seemed to have lifted us. Such spiritual

umbia Scholastic Press Association, the compe-
tition is open to junior and senior high school
publication staffs.

The dual purpose of the contest is to en-
courage outstanding journalistic talent and
to utilize teenage reporters' writing and
drawing skills and judgement to inform their
peers of the hazardous effects of cigarette
smoking, according to Harold Amos, Ph.D.,
President of the American Cancer Society's
Massachusetts Division.

To enter the contest, a school publication
staff member should send a feature story,
editorial, or cartoon on cigarette smoking
which appeared in the publication between
February 1, 1981, and January 31, 1982,
to American Cancer Society/CSPA Writing

in each of the above mentioned categories.
All entries should be selected by the staff
and approved by the advisor.

Each submission must be the work of a
student in grades 7 through 12. Materials
must be original and may not have been
entered in any other contest. Judging will

Bridge Schedule

SAGAMORE BRIDGE TRAVEL
SCHEDULE REVISED

One-way travel over the Sagamore Bridge will be permitted in accordance with a revised schedule effective Wednesday, September 23. The revised schedule is being implemented to relieve some of the delays experienced since the major rehabilitation work on the bridge necessitated one-way travel beginning on September 14.

"We have been evaluating the traffic flow over the bridge for the past week," Colonel C. E. Edgar, III, head of the U. S. Army Corps of Engineers, New England Division, said. "Delays encountered by travellers leaving the Cape during the latter part of the afternoon prompted the change. We are also providing for more frequent direction changes on weekends to assure better ac-

**The major cause of high
fuel bills is a burner that
gobbles up more oil than
it should...to produce the
heat you need.**

An oil burner is an energy conver-
ter; it converts petroleum energy
to heat. The more heat extracted
by your burner from oil, the less
oil you require to heat your
home. And the less energy goes
up the chimney as wasted heat.
Unfortunately, MOST older oil
burners are inefficient "heat ex-

chamber ensemble, the Bohemian Virtuosi
of Prague, as its beginning attraction of the
1981-82 season. A first prize winner in in-
ternational conducting competition, Mr.
Koutnik is conducting this remarkable group
on its initial United States tour. The con-
cert will be held at the Keith Junior High
School auditorium on Friday evening, Oc-
tober 2, beginning at 8:15.

In recent years, the musical life of New
Bedford has been enriched by the appear-
ances of a number of musicians from the old
Czechoslovakian city of Prague, a city which
has produced more than its share of superb
string players and chamber ensembles. Al-
though the Bohemian Virtuosi has been in
existence only since 1974, it has, in that
short time, made a deep and lasting im-
pression. Its 14 young musicians have been
playing together since their student days at
the Prague Conservatory. Its instrumentation
of 4 first violins, 3 second violins, 3 violas,
2 cellos, contrabass and harpsichord was
chosen to attain the ideal "chamber music
sound".

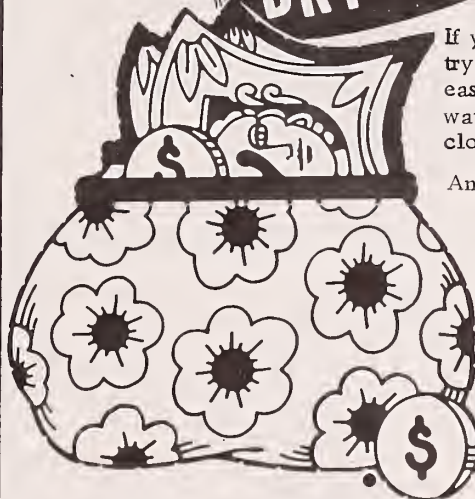

The October 2 program of the Bohemian
Virtuosi will be reflective of the broad
repertoire which typifies its programming
(Baroque through the Classical and Romantic
periods, to the contemporary). Corelli,
Mozart, Rossini, Tchaikovsky and Martinu

are the programmed composers. Of this
beautifully-honed group of musicians the
Copenhagen Folkeblad's critic has written,
"perfect...beautiful beyond criticism".

Tickets for the ensemble's concert may
be purchased at the door, as well as ser-
ies tickets for the entire series of three
concerts.
